ABOUT US

Bayside House Backpackers is a boutique hostel located in the heart of St Kilda.

We provide safe, clean accommodation and pride ourselves on creating an excellent customer experience. Our team goes out of their way to connect guests with Melbourne's best social and entertainment offerings.

Bayside House has recently been refurbished with new renovations and refurbishments, new premium pod beds, linen, bedding and furniture, making it one of the most desirable places to stay in Melbourne.

Being in the thick of everything, Bayside House is surrounded by the best of what Melbourne has to offer. Walk only 5 minutes to find yourself at St Kilda Beach, or Melbourne's famous theme park, Luna Park. If you don't want to walk, the St Kilda Junction Tram Stop is just across the road, so you can access the attractions Melbourne has to offer with the touch of a Myki. If you're here for a good time, Bayside House is only moments away from Melbourne's prominent nightlife strip, Chapel Street. If you're here to enjoy the abundance of sport Melbourne has to offer, Bayside is again a tram trip away from the MCG (4.4km) or Rod Laver Arena (4.1km), or just a 100m walk to the F1 track, Albert Park.

We can't wait to meet you at our house, Bayside House!
